

Complaints Process for Your Tech Insurance

This leaflet explains how you can register your complaint with us and guides you through the process we'll follow to deal with your complaint.

We aim to provide you with the very highest level of service as our customers are at the very heart of what we do. But, if we didn't get it right for you this time, we'd really like to know so that we can put things right.

We always welcome any feedback that you care to share with us, be it positive or negative, so we can strive to be the best that we can be for our customers.

Contact us

There are several ways that you can reach out to us:

To make sure that your complaint is dealt with efficiently we need you to include the following information:

- Your full name and full address
- Your claim number
- What went wrong? What can we do to put it right?

It would also be useful to have your best contact number and email address in case we need to contact you regarding your complaint. If you're writing to us, please try to give as much detail surrounding your complaint as possible, including any documentation, emails, letters etc. that we may find helpful or that you'd like to be considered when investigating your complaint.

What will happen next?

Once we've logged your complaint, we'll endeavour to resolve it as quickly as possible. If we're able to give you an immediate outcome to your complaint, then we'll do just that.

If we can't give you an immediate outcome, we'll write to you confirming that the investigation into your complaint is underway.

We'll aim to give you a full and final response to your complaint within eight weeks of receiving your complaint and we'll use our best endeavours to do it sooner.

In the unlikely event that we can't give you a full and final response within eight weeks, we'll write to you to explain the reason why and when we expect to do so.

When we've fully investigated your complaint, we'll get in touch and explain the outcome and the rationale behind our decisions.

Unhappy with our decision?

If you're not satisfied with the way in which we've dealt with your complaint, or we're unable to give a final response within the eight-week time frame, you may be able to take your complaint further with the Financial Ombudsman Service.

The Financial Ombudsman Service offers a free, independent complaint resolution service, but you must contact them within 6 months of our final response. If you don't refer the complaint in time, we'll not give the Financial Ombudsman Service permission to consider your complaint. However, it may be considered if your delay in referral was due to exceptional circumstances.

You can contact the Financial Ombudsman Service and refer your complaint to:
